Answer the question

1. How do animals almost care for one another ?

☞ They care for one another almost as if they were a family.

Answer the question

2. What did the old dog find out when he decided to take the long journey to find their owners ?

The old dog found the strength in making the long and difficult journey to find their owners.

Answer the question

3. Why did the book become interesting and unbelievable ?

Because the author was faithful to her characters as animals and show us their journey through animal eyes.

Answer the question

4. Who would the author like to recommend the book ?

👉 The author would like to recommend the book to anyone who likes animals to read it.
